Teen Age Representatives

One of the important social activities of our school is the bi-weekly all-school dance, the teen-age dance. Teen-age representatives were elected and with the help of Mr. Whirl, they planned these dances. We owe them a vote of thanks for the good times we had dancing in the gym.

Were the gifts nice?

Mapping out plans for vacation.

Ho! Ho! That's rich.

Now, Gentlemen, I want to tell you---

Commercial Club

One of the main accomplishments of this year's Commercial Club was making the final payment on the dictaphone they had purchased for the school. Among the other activities were: an initiation party at the beginning of the year given by the new members, the selling of Christmas and Easter candy, and a picnic at the end of the year. Under the leadership of Mrs. Truxell, the officers are: Wilma Trombetta, President; Dorothy Wisniewski, Vice-president; Barbara Kemple, Secretary; and Alberta Prettyman, Treasurer.

Band

Under the lights at football games, the band goes through its formations. In any kind of weather, it puts on a half time show at all the home and most of the away games. It also performs at pep rallies and in parades. In February, the band and Mixed Chorus combined to present a concert. We should be proud of our colorful band, because it represents our whole school. And to Mr. Quadraccia, the leader, we offer our wholehearted congratulations.

Color Guards

As we stand to sing the National Anthem at football games, we look down on the color guards who are carrying our national and school flags. These four girls in their flashing capes put the finishing touch to our band. This year the members were: senior, Joanne Kaye, and sophomores, Betty Sitko Dinean Booth, and Sheila Hornfeck.

S. Hornfeck, D. Booth, J. Kaye, B. Sitko

Dramatic Club

Under the gavel of Eleanor Reeder, the Dramatic Club has served the school well this year. These aspiring thespians produce two plays, the first of them being "Seventeen is Terrific." They also painted scenery and had practical experience in putting on make-up. The other officers were: Vice-President, Jack Dunst; Secretary, Mary Nolfi; Treasurer, Gerry Ercole.

Stage Crew

Many people do not realize what makes a play, professional assembly or entertainment run so smoothly. Credit for this should be given to the members of the stage crew, under the direction of Mr. Robinson and Mr. Salzman. Without these boys, it would be impossible to have an effective stage setting.

Projector Operators

The visual education in our high school is carried on with the help of the projector operators under the direction of Mr. Sebastian. These boys run the projectors for classroom and assembly movies, and operate the microphone and recording machine for our school dances. We do appreciate their work, because they give up their spare time in order to make our classes more interesting.

Faculty Secretaries

These are the students who voluntarily offered their services to alleviate the teacher's work. They perform such tasks as cutting stencils, washing blackboards, recording grades, and keeping the teacher's home room looking orderly.

The teachers are grateful to these students for their assistance during the school year.

Death Takes A Holiday

Perhaps the most successful play produced by the Dramatic Club in recent years was "Death Takes a Holiday". The 1951 spring play showed what happened when Death took a three day vacation on earth. Because of a good plot and excellent acting, the audience was kept on the edge of their seats all through the play.

Mixed Chorus

Mr. Quadraccia has again divided the chorus into two groups just as he did last year. In February, these two groups with the band gave a concert which was very successful. We hope these students will continue to work hard.

Quad's Seniors

These are the seniors who for four years have supported school affairs by being majorettes, cheerleaders, or playing in the band. They have been very enthusiastic and have added pep to any activity in which they have taken part. Although there will be other "Quad's Seniors" next year, we will remember this year's seniors' fine work during their high school days.

Cheerleaders

One of the most faithful and enthusiastic groups in the high school is our eight cheerleaders. Despite bad weather or weak rooting at basketball and football games, they still give energetic support to the teams and help boost the morale of the players. The group is led by five seniors; Helen Louise Homolak, Frances Murray, Mary Donofrio, Jane Ann Taylor, and Grace Kazmierowski. Other members are Helen Dragos, Jean Del Fiugo, and Mary Ann Mihoces.

Majorettes

"Here comes the band!" an excited youngster shouts. Leading the band is Arlene George, G. H. S.'s head majorette. Behind her, the other majorettes strut and twirl their batons. These girls put a lot of color in the half-time activities at football games, the parades, and the pep assemblies. We can be very proud of our pretty majorettes. Arlene, Lois Buck, and Doris Shoaf finish this year while Jennie Book, Bertie Brooks, Lucille Gorman, and Donna Bevan are returning to pick up their batons next September.

Take It Or Leave It

We are aboard the space ship "Gladiator" headed out into space—destination unknown. Our ship is filled with many articles which will show the people of outer space how the people on Earth live. One of the most important documents aboard is an old will. It reads as follows:

We, the seniors of G. H. S., being of weak mind and student body, do hereby draw up the Last Will and Testament of the Class of 1952.

To our supervising principal, Mr. Naser, our principal, Mr. Whirl, and the faculty, we give our true thanks for all they have done for us during our four year stay, and a smile to boost their tired dispositions caused by our antics.

We give to all the underclassmen our "pull" with the faculty.

To the juniors, we leave the privilege of exchanging pictures and name cards, the senior section in the auditorium, the job of turning out a good yearbook, and a few tears when the 1953 commencement comes around.

To the sophomores we give the duty of supporting school activities, because they soon will be the leaders, and hope they will set a good example for our school.

To the freshmen we leave the ability of organizing and becoming the best graduating class ever (aside from the class of 1952, of course, and the right to be ribbed by the upperclassmen.

Our individual characteristics we distribute in the following manner:

Nick Pergantis, Al Jaskolski, and Leo Schrantz bestow their football ability upon Arthur Milligan, Bob Stevens, and Bob Smith.

Bob Milligan is to be the lucky owner of John Dragos' wit.

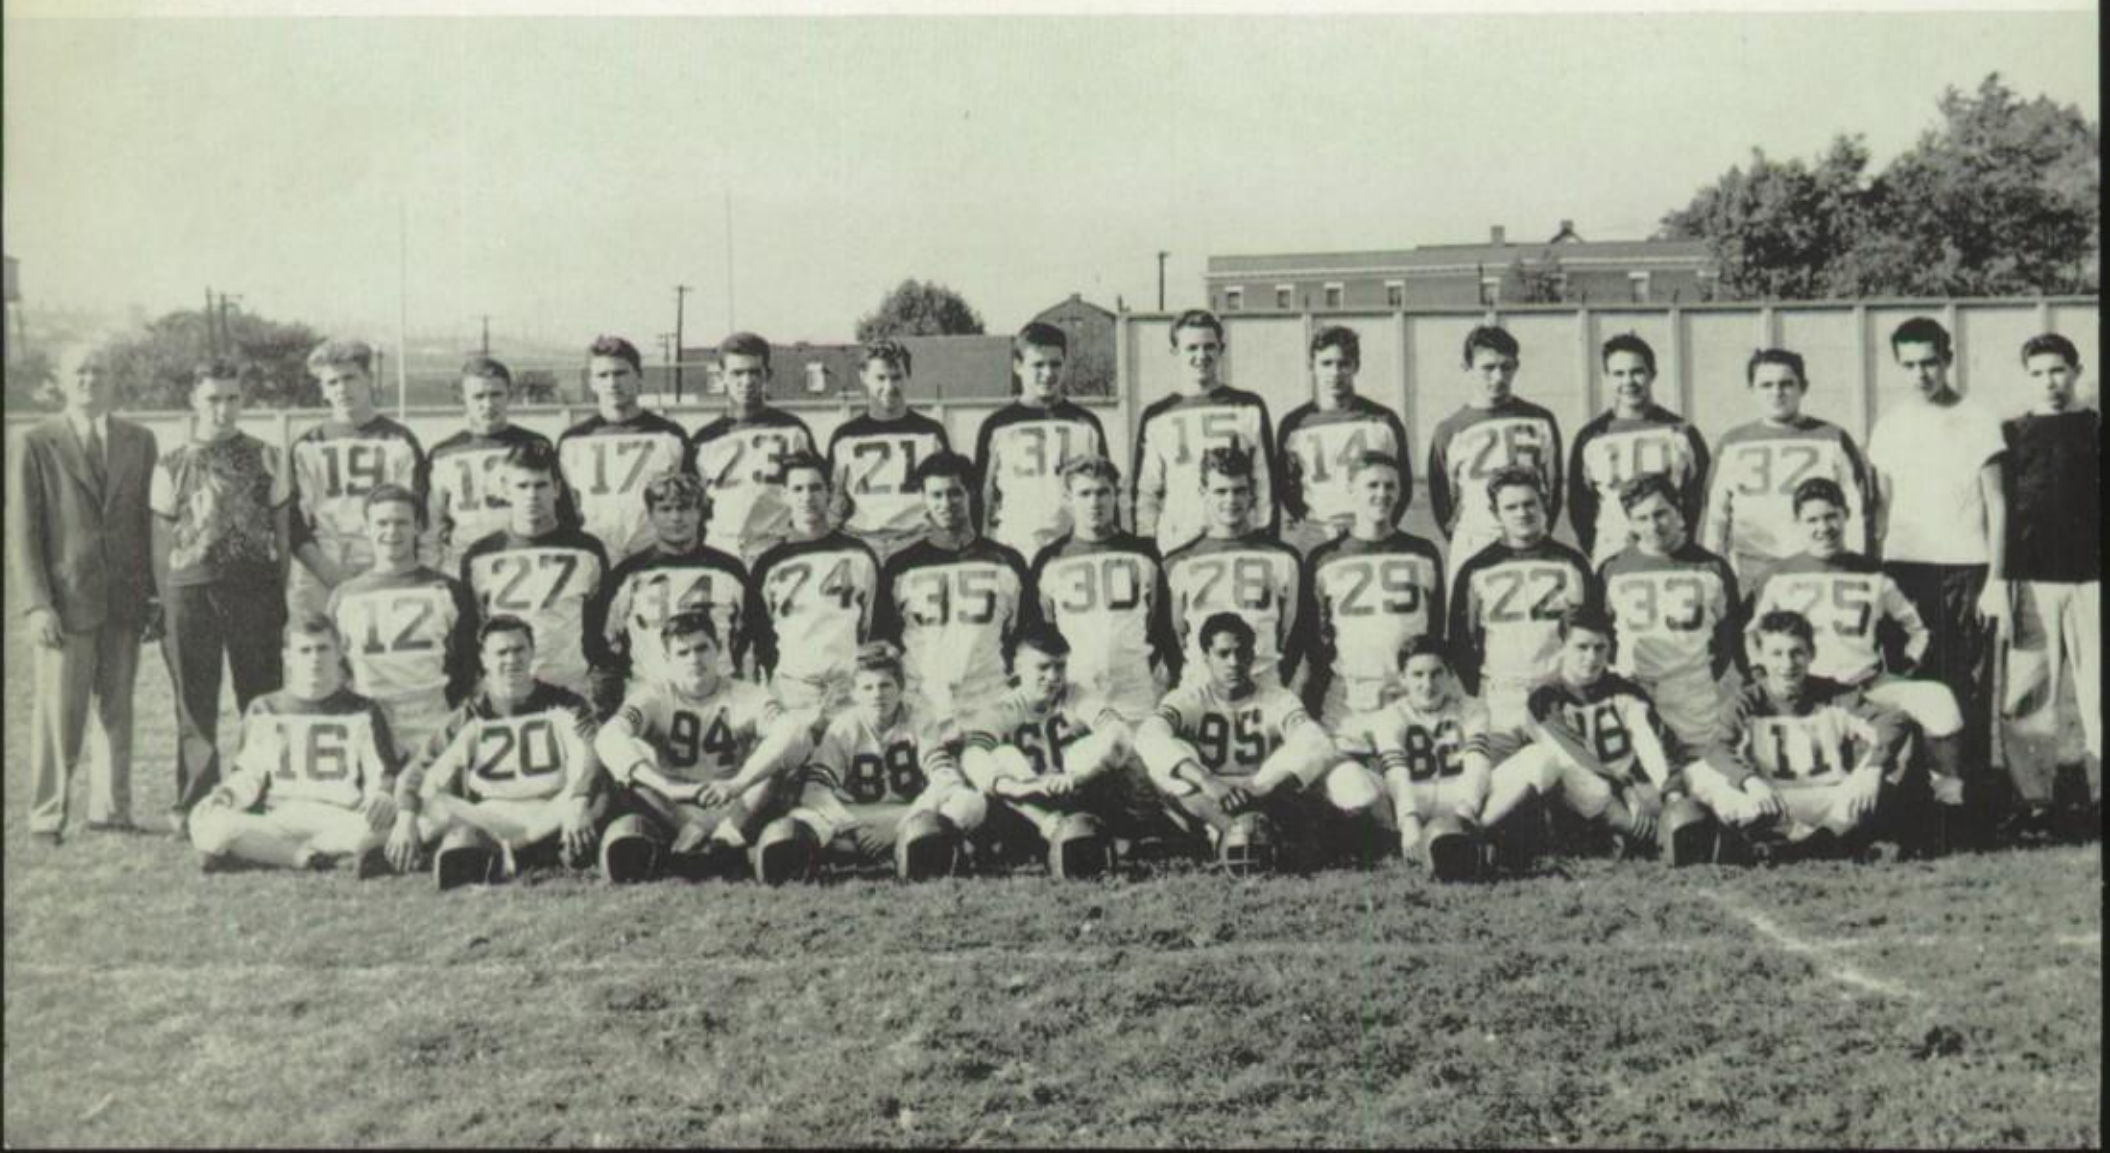
Mr. Ghetian

MANAGERS: J. Kwolek, M. Decolati, R. Lanyi, R. Jakubek.

Coach Ghetian, with his assistants, Mr. Lapkowicz and Mr. Hornfeck, led the Gladiators to three wins and six losses for the 1951-52 football season. Although our record has been better in past years, we still were proud of the standing of our team this season. Mr. Ghetian rebuilt the team in preparation for future years. We, the class of 1952, wish Coaches Ghetian, Lapkowicz, and Hornfeck success with the teams of the future.

THIRD ROW: Mr. Ghetian, J. Kwolek, E. Urbanski, D. Schillaci, F. Zabrowski, G. Wasil, R. Davis, R. Looney, C. Storer, R. Markovich, A. Cipriani, R. Dudley, W. Darragh, T. Wezorek, R. Lanyi. **SECOND ROW:** H. Davis, R. Stevens, A. Jaskolski, N. Pergantis, G. Cola, D. Jakubek, L. Schrantz, E. Ray, J. Szpanka, A. Milligan, G. Miller. **FIRST ROW:** T. Evans, T. Gribschaw, R. Meisl, J. Tomedolsky, C. Hart, R. Galloway, W. Popovich, R. Pasinski, L. Raszewski.



GLASSPORT 6 **McKEESPORT 46**

Glassport dropped their first game to McKeesport by the score of 46-6. Most of the play was deep in Gladiator territory, and Glassport failed to make a first down until midway in the third period. Sophomore Harry Davis and Bob Smith, a junior, showed a lot of promise in this game. Glassport's only score came in the last quarter when Eugene Urbanski took a pass from Smith on the 15 and went the rest of the way for the touchdown.

GLASSPORT 13 **CLAIRTON 33**

Glassport lost their second ball game of the season when they were vanquished by Clairton's Bears. Glassport scored in the second quarter when Schillaci ran 27 yards for a touchdown. In the third quarter Smith passed 11 yards to Urbanski for Glassport's second touchdown. Bob Stevens added the extra point to give the Gladiators their 13 points. Bob Smith was injured in this game.

Backs: D. Schillaci, H. Davis, L. Raszewski, E. Urbanski. **Line:** L. Schrantz, G. Cola, J. Szpanka, N. Pergantis, A. Milligan, A. Jaskolski, R. Stevens.

HOMESTEAD 39 **GLASSPORT 6**

Glassport was dropped from class B competition when they lost their first league game to Homestead. Except in the first quarter and the last minutes of the last quarter Homestead was just too much for Glassport. In the last six minutes of the fourth quarter the Gladiators put together a 70 yard running and passing show that ended with four consecutive first downs and halfback Ray Looney crashing over from the three. The rest of the game was all intercepted Glassport passes and Homestead cheers.

WILMERDING 20 **GLASSPORT 6**

The Glads scored their only touchdown early in the third period when Schillaci intercepted a pass on the Wilmerding 43 yard line and ran it to the 18 yard line. Four plays later Raszewski passed to Stevens in the end zone for the touchdown.

MASONTOWN 12 **GLASSPORT 0**

The Masontown game was the first in which the Gladiators failed to score. Masontown scored 12 points and used only 13 players in the whole game. Glassport threatened once at the beginning of the game. Masontown had a very clear field throughout the remainder of the game.

ELIZABETH 12 **GLASSPORT 26**

After five straight defeats, the Glads came through with a 26-12 victory over Elizabeth. In the first quarter Raszewski passed to Pasinski for Glassport's first score. Jakubek scored in the third quarter on a line plunge. In the fourth quarter Raszewski again passed for a touchdown—this time to Bob Stevens. Schillaci intercepted a pass and sprinted 20 yards for Glassport's final score.

CARNEGIE 20 **GLASSPORT 13**

Carnegie High scored 13 points in the third period to lead the way to a 20-13 victory over Glassport. It was the Gladiator's sixth setback. Szpanka scored one Glassport touchdown when he scooped up a Carnegie fumble and raced 38 yards for the score. The other touchdown came on a pass from Raszewski to Pasinski.

ELDERS RIDGE 2 **GLASSPORT 12**

Glassport High switched to the two-platoon system and the strategy paid off as the Gladiators played their best football of the season in turning back Elders Ridge. Urbanski scored the first touchdown in the second quarter and Raszewski added another six points on a 7 yard run in the last quarter.

BRENTWOOD 0 **GLASSPORT 13**

Nine seniors played their last football game for Glassport as the Gladiators out-classed Brentwood 13-0 at the Memorial Stadium. Roland Davis smashed over from the two yard line for Glassport's first touchdown. In the third quarter, Bob Pasinski ran 51 yards with a lateral from Stevens for Glassport's second touchdown. Stevens scored the extra point on a pass from Jakubek. Glassport ended its season with three wins and six defeats.

JOHN SZPANKA **Guard** **5' 11"** **175 lbs.**

Football didn't capture John's eye until he was a junior. He started late in high school football but did a very good job. He is earning his second letter this season and is sharing co-captain honors. John is known to all his friends as "Pups".

NICK PERGANTIS **Center** **6'** **165 lbs.**

Nick began playing football when he was in ninth grade. He started to play first string when he was in tenth after the Gladiator's regular center got hurt. He is earning his third letter this year and is sharing co-captain honors with his team-mate John Szpanka. A wonderful boy on and off the gridiron, Nick is ending a high school football career in fine fashion. He is known to all his friends as "Sponge".

ED RAY **Tackle** **6' 1"** **165 lbs.**

Ed came to Glassport from Lincoln Township. He started out his football days in his junior year as an end but was later switched to tackle. He is earning his first letter this season and is worthy of it.

DON JAKUBEK **Fullback** **5' 11"** **150 lbs.**

Don is the biggest man in the backfield this season and is earning his second letter. "Jake", as he is known to all of us, was hurt earlier in the season but returned to be a great defensive player when he backs up the line and a pile-driver on the offense.

AL JASKOLSKI **Guard**
5' 11" **190 lbs.**

One of the roughest guards in the district, and one of the roughest guards that G. H. S. has ever had. He is known to play a very hard game on the offense as well as on the defense. He doesn't like to lose, but if this happens, he can take it.

Mr. Ghetian **Mr. Hornfeck**

Gerald Cola

Leo Schrantz

Don Schillaci

Art Cipriani

Gerald Cola **Tackle** **6'** **202 lbs.**

Gerry or Coke as he is known to all the boys is the heaviest man on the squad. He is earning his second letter as a tackle for the Glads. He played a little in his sophomore year and held the tackle post down for the past two seasons. He always has that old team spirit when playing in the game.

Don Schillaci **Halfback** **5' 7"** **150 lbs.**

The smallest man on the squad but earning his second letter. What he lacks in height and weight he makes up in speed and aggressiveness. He always plays a rough brand of football and played his best game against Brentwood.

Leo Schrantz **Tackle** **6' 1"** **180 lbs.**

Leo is the tallest man on the team and has earned his second letter this past season. He held the tackle position for the past two seasons and most of his sophomore year. Leo is known for playing a very hard game and good sportsmanship.

Art Cipriani **End** **6'** **165 lbs.**

Art started his football days as a quarterback but was changed to the terminal position in his senior year. As he stepped into this new position he worked hard and seriously. He is earning his first letter in football. All his friends call him "Cip".

Glassport meets a stone wall.

Knock him down, boys.

Hold that ball.

Reserves

This year our reserves, under the excellent coaching of Mr. Lapkowicz, showed promise of a championship team for next year by going through the season with victories over Baldwin, Port Vue, and a tie with McKeesport. Keep up the good work!

Junior High

The Junior High Football Team, coached by Mr. Hornfeck, had three victories and three defeats. They beat McKeesport George Washington, Braddock, and Port Vue, while losing to Munhall, McKeesport Shaw Ave. and Homestead. The team worked hard and did its best. Give the "Little Gladiators" your support.

Basketball

This year, under the coaching of Mr. Hornfeck, the Gladiators again ended their regular season with a tie. Working with an inexperienced squad, Coach Hornfeck, along with assistant and reserve coach, Mr. Gorun, led the team to a playoff at the Pitt Field House. Although losing to Wilmerding in the playoff, we know that Mr. Hornfeck and the boys were battling all the way. We hope that next year Coach Hornfeck will come through with a state championship.

Joe "Cap" Captain 5' 10" Forward

Joe is earning his first letter for the Gladiators this year. When given an opportunity he scrapped with everything he had. He was always willing and co-operative.

Don Sherman 5' 9" Forward

Among the five seniors that are graduating, Don is one of the smallest and best. He is earning his second letter for the Glads. What he lacked in height he made up in speed and hard play. He played his best game with Wilmerding in the playoff. Don was elected co-captain of this year's team.

GLASSPORT 40 **DUQUESNE 59**

Glassport opened its season on their own floor with a loss to Duquesne by the score of 59 to 40. Bob Stevens and John Kaye led the Gladiator attack with 14 and 13 points respectively.

GLASSPORT 53 **BALDWIN 52**

The Glads copped their first game of the year by defeating the Baldwin Highlanders 53 to 52. Kaye and Stevens again led the attack and stood out on offense and defense. Bob Smith hurt his leg and was sidelined for a few games.

GLASSPORT 41 **WEST NEWTON 39**

The Gladiators edged out the West Newton Hornets in a rough game by the close score of 41 to 39. The game developed into a foul shooting contest with 75 fouls being shot. Leo Raszewski walked off with individual scoring honors with 16 points.

GLASSPORT 48 **TURTLE CREEK 33**

The Glads had little trouble downing Turtle Creek and led all the way to chalk up an easy 48 to 33 victory. Kaye paced the scoring with 13 points and was closely followed by Raszewski who tallied 11 markers. Don Sherman played a good floor game.

GLASSPORT 30 **NORTH HUNTINGDON 44**

Glassport stepped out of their class again and went down to a 44 to 30 setback at the hands of North Huntingdon. Kaye and Captain paced the Gladiators with 6 points apiece.

GLASSPORT 50 **BALDWIN 38**

The Hornfeckmen, paced by Bob Stevens, repeated an earlier win over the Baldwin Twp. High passers by downing the Highlanders 50 to 38. Stevens not only led the Gladiator charge in scoring 21 points but played a fine rebound game.

GLASSPORT 43 **CLAIRTON 52**

The Gladiators played host to the Clairton Bears and came out on the short end of a 52 to 43 score. The Glads were very much in the game until the closing minutes but then faded as four regulars were chased on personal fouls. Kaye again led the attack with 13 points.

GLASSPORT 73 **EAST PITTSBURGH 46**

The Hornfeckmen opened their Section 16 schedule with a convincing 73 to 46 victory over the East Pittsburgh Shamrocks. The Gladiators displayed their best passing exhibition of the season. Stevens again was red hot as he hit the hoop for 22 points. Bob Smith returned to action after being injured in the second game of the season.

GLASSPORT 45 **EAST McKEESPORT 39**

The Glads took over undisputed possession of first place in Section 16 by turning back East McKeesport. Stevens, Kaye, and Smith carried the scoring load. The locals were forced to come from behind in the final quarter to down the Rams.

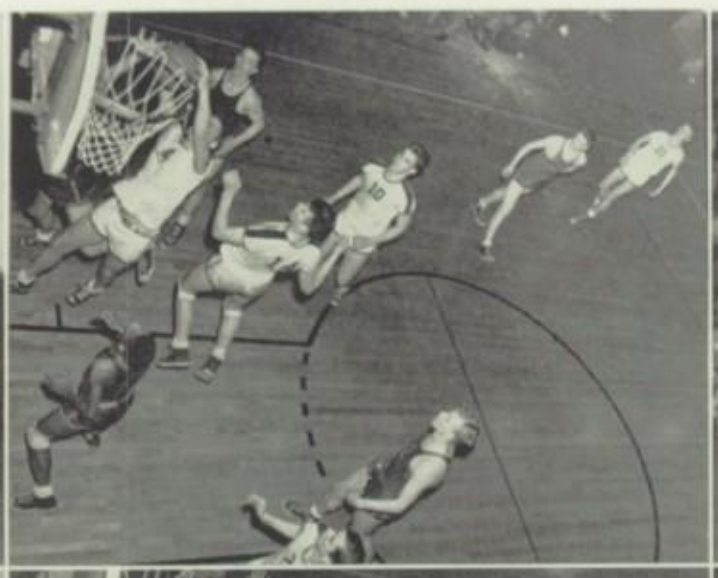
GLASSPORT 34 **TRAFFORD 32**

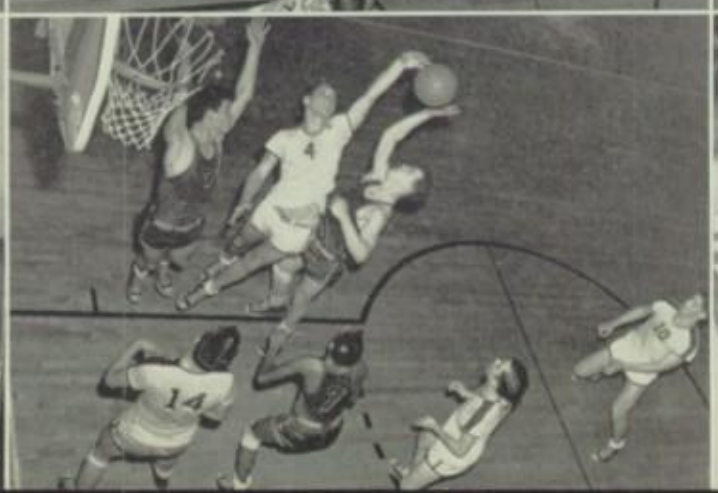
The Red and Black were forced to come from 15 points behind in the third period to squeeze out a 34 to 32 triumph

Two points?
Reserves in action.

Ray drops it in.
Don't let him have it.

A little bit more.
And now, we'll try this--





Mr. Hornfeck, L. Raszewski, R. Smith, D. Sherman, R. Markovich, R. Stevens, G. Borrelli, J. Kaye, R. Looney, D. Jakubek, A. Cipriani, J. Captain, E. Andresky, C. White.

over Trafford and maintain its hold on first place in Section 16. Ray Looney sparked the Gladiator third quarter surge with 12 points. Bob Smith, playing a stellar defensive role, chipped in with 6 points.

GLASSPORT 67 **EDGEWOOD 55**

Glassport next traveled to Edgewood to defeat the newcomers of Section 16 in a hard fought game. The score does not indicate the closeness of the game. The Glads trailed at half-time but put on a last-period scoring spree and a fine exhibition of ball stealing. Stevens and Looney weer the high scorers of the game with 19 and 15 points respectively.

GLASSPORT 36 **ELIZABETH 31**

The Hornfeckmen once again came from behind to defeat our neighboring rival, Elizabeth. Smith was the big gun in the Gladiator rally with 10 points, followed closely by Don Jakubek and John Kaye with 7 points each.

GLASSPORT 44 **WILMERDING 51**

The Gladiators played host to the Wilmerding Wildcats and absorbed their first Section 16 loss. The Hornfeckmen led at half-time 27-25, but could not solve the Wildcat defense in the third quarter. The Glads rallied again in the fourth quarter and came within 2 points of a tie, but faded as the Wilmerding Wildcats began clicking. Ray Looney led the Glads with 12 points closely followed by Raszewski and Smith.

GLASSPORT 61 **PITCAIRN 45**

The Glads closed the first round of competition in Section 16, with an easy 61-45 win over the Pitcairn Railroaders. Everyone broke into the scoring column with Stevens and Smith pacing the attack.

GLASSPORT 50 **EAST PITTSBURGH 45**

The Glads next traveled to East Pittsburgh and rallied once again in the last quarter to win an important victory over the Shamrocks. Stevens was high man for the Hornfeckmen with 15 points, followed closely by Raszewski with 14 and Looney with 11.

GLASSPORT 54 **EAST McKEESPORT 44**

Glassport continued to hold on to first place in the tight Section 16 chase as a result of its 54-44 triumph over East McKeesport. The Gladiators put on their best display of shooting in the third frame with Bob Smith playing a fine all around game. Once again Stevens was high with 15 points. Sherman, Looney, and Jakubek starred on defensive play.

GLASSPORT 49 **TRAFFORD 38**

The Hornfeckmen once again proved their ability by defeating Trafford with a score of 49-38. Stevens hit the hoop for 18 points while Jakubek and Looney each had 9. Smith, playing an all around good floor game, chipped in with 8.

GLASSPORT 62 **EDGEWOOD 50**

The Glads came through with a convincing 62-50 triumph over Edgewood High. The Gladiators played one of their best games of the season before a large home crowd. Stevens "got hot" and was high man with 18 markers. Jakubek and Looney had 11 and 10 points respectively. Raszewski and Smith intercepted several passes and played a fine defensive game. Everyone broke into the scoring column.

GLASSPORT 63 **ELIZABETH 39**

Glassport next played host to Elizabeth. Once again the Glads played a high scoring ball game to go on to win without any trouble. Stevens ended up high scorer with 15 markers, closely followed by Jakubek with 12 and Smith who had 10.

GLASSPORT 47 **WILMERDING 62**

The Glads traveled to Wilmerding for an important sectional game and were jolted by the Wildcats, tying Glassport for the Section 16 lead. Raszewski and Smith fought terrifically to keep the Gladiators in contention and ended up with 12 and 10 points respectively. Stevens, well-guarded throughout the game, came through with 10 markers.

GLASSPORT 53 **PITCAIRN 51**

Our Gladiators just won't quit, as they proved when they rallied in the final period to eke out a 53-51 triumph over Pitcairn. The Glads fight and determination were magnificent throughout the entire game. Bob Smith was the hero of the game as he tallied his highest scoring mark of the season with 19 points. Not far behind him was his "Gold Dust Twin", Leo Raszewski, who had 10 markers. Stevens played a fine defensive game and came through with 14 points. Jakubek was hot under the boards on rebounds and scored 9 valuable points.

GLASSPORT 51 **WILMERDING 52**

Glassport entered into a playoff for the Section 16 championship with Wilmerding at the Pitt Field House. The defeat was a heart breaker for the scrappy Glads, losing only by one point. Don Sherman was the spark in this game, playing a magnificent floor game along with 8 points to his credit. Stevens was high man, tallying 16 points along with Looney who had 14.

SECOND ROW: Mr. Ghetian, A. LaBue, R. Kendal, T. Richards, L. Wiesenthal, R. Bratton. **FIRST ROW:** G. Bernard, C. Kastan, M. Timko, C. Zaleski, W. Kaltenbaugh, E. Brooks, J. Nolfi.

Junior High

The little Glads, coached by Mr. Ghetian, didn't have a very successful season. Although they won eight games and lost thirteen, the boys showed some fine spirit for future years. We know these boys will improve and bring honor to our school.

Reserves

This year, under the able leadership of Mr. Gorun, the Reserves came through with a successful season of sixteen wins and five losses. The boys worked hard for this record, and we hope they will continue. Let's keep the victories coming for the varsity of the future.

Safe by a mile.

Waitin' for the ball to come in.

Watch it go!

In The Crystal Ball

I was studying for my final exams. Laid out in front of me were English literature, physics, geometry, and French books to review. I had stayed up too late the night before, watching television and I was dead tired. Nevertheless, I had to study.

I studied for a while, but everything seemed dull. Other things kept coming into my mind. I picked up the always present comic book to soothe my mind. After reading about Buck Rogers in the 25th century for a few minutes, my mind began to whirl. My crowded brain filled with geometric figures, English Lit., physics formulae, and the exploits of Buck Rogers. I must have dozed.

The next thing I knew, I was riding a helicopter taxi invented by Howard West. The talkative driver, Richard Kurta, drove me to the air field where a space ship, the Gladiator, was preparing to take off for outer space.

Before entering the ship, I saw mechanics, Nick Campano and Ted Kudla, making a last minute check-up. Soon, the announcer, John Dragos, called "All aboard. Take off in three minutes," so I settled into my seat. Up front, Milo Cubra, the pilot, Jack Resnik, the co-pilot, Charles Bratton, radio operator, were busy getting the ship out of the earth's gravitational pull while the stewardesses, Edwina Brubaker and Josephine Natale, made the passengers comfortable. Grace Kazmierowski, the pilot's private secretary, radioed through the teleview radio that Milo forgot to take his vitamin pills along. He said he'd buy them at Cyril Macosko's drug store on the new sattellite, Trombetopia, discovered by Wilma Trombetta. When we landed we were welcomed by Andy Komondor, mayor of Trombetopia's only town. I offered to do the errand and we went to the drugstore. Arlene George, the clerk, gave me a bottle of Dr. Backus's Vitamin Pills. While Arlene wrote up the sale, I looked around. In one booth, Chickie Murray and Don Jakubek were sipping soda thru a straw. They still think each other is "out of this world." Across the street, I saw the Stetz Bakery Inc., run by my old friends, Bob and Loretta. Their bakery specializes in "heavenly" bread and angelfood cake.

On our way again, we passed Marilyn Schillaci and John Kaska on scaffolds, painting the rainbow in the sky. We accidentally knocked over the purple can, so now "it isn't raining rain you know; it's raining violet".

Our first scheduled stop was Luna, the moon. Some of the inhabitants (lunatics) greeted us at the Violet Gigli airfield. We met a missionary, Eleanor Reeder, teaching at David Davis School for Girls. Also helping Eleanor were Dolores Sterling and Lois Jean Jackson.

Visions of loveliness.

Dancing in the dark.

Before we left the airport, another space ship made a landing. This was a ship from "Elizabeth Donofrio Sightseeing Service"; whose motto is: "Biz around with Liz". Passengers emerging from the plane were Betty Bushnell, Louise Kraus, Mary Duda, and Dolly Tudek, famous business personalities who were tired of Florida vacations.

Our group stopped at Pat Pacewicz's Restaurant. Ed Ray, the head waiter, took us to our table. We were sure of prompt service, because the waitresses, Doris Zeleznik and Gert Sikorski, were wearing jet propelled shoes. We all ordered the chef's special, created by Bill Zeik who said, "After one mouthful, you'll 'zeik' some more." We were also provided with Buck-a-Seltzer, at a dollar a bottle, to settle our stomachs.

After eating we went to Ed Hunt's Tourist Bureau to look for a place to stay. His motto is: "Don't hunt for a room. Let Hunt do the hunting for you." He advised us to go to Moonshine Manor, owned and operated by Joan Witkowski.

Alberta Prettyman, the elevator girl, took me up to the top floor where I got that "head in the clouds" feeling. I played with the push button panel in my room. One button made the room bright by phosphorous light, and another let the bed down from the wall. On the bed was the body of a man. I called the house detectives Ray Cegelski and Ed Andresky, and with their persistence, they soon found the murderer who was still carrying the murder weapon, a super-positronic pocket pistol.

The next morning we said goodbye to the moon, and went on our way. Soon after lunch, we stopped at Richard Striegel's service station on a stationary flying saucer to fill up on Dunstifuel, our miracle fuel invented by Jack Dunst. Across the street, Leonard Nizinski was yelling, "Peanuts for sale".

After refueling, our ship left for Mars, named after that famous candy bar. From a distance, we could see Mount Kruzek, which still remains a mystery, even though it was conquered by Betty Kruzek.

When we reached the airport on Mars, we were met by strangers in ten-gallon hats. Looking closely, we saw they were Bill Kostkas, Dick Kostyzak, and Charles White who migrated from Earth, because it was getting too crowded in Texas to raise cattle. Accepting their invitation to visit their ranch, we took a flying saucer to the other side of Mars. As we zoomed along, we looked down on Al Jaskolski, Gerald Cola, and Don Schillaci, professional football stars, doing work outs under the leadership of Nick Pergantis. They were practicing for the interplanetary Nut Bowl game against the Saturn Robots.

We finally reached the ranch. Other weekend guests at the ranch were Joe Captain, resting up after solving a hard criminal case, and Mary Lou Mellor, famous Marsopolitan opera star now in "Love that Law", produced by Shirley Backstrom.

In the spotlight.

Cupid capers at the Heart-Hop.

We invited some old friends, Mary Nolfi and Art Cipriani, in to enjoy the cowboys' evening serenade. The Shallow Pond Quartet composed of Bob Price, Jim March, Mary Donofrio, and Louise Homolak gave us their version of "How High the Moon" arranged by Ralph Fasiska.

At the end of an enjoyable visit, we bade farewell to our friends and headed for another planet in the Gladiator. Looking out of the window, we saw Lael Michaelson teaching the stars how to twinkle like diamonds.

Nearing Neptune, the co-pilot, Jack Resnik, suddenly became ill. Over our two way teleview, we contacted the hospital on Neptune with the help of the able tele-operators, Frances Honacki and Dolores McCune. An ambulance, driven by safety expert Bill Dobbins, awaited us when we landed. Soon we were at the hospital, and Tina Orlando was preparing the patient for surgery to be performed by Dr. Leo Schrantz. We left Jack in the operating room, but we envied his opportunity to flirt with all the pretty nurses: Jane Ann Taylor, Doris Shoaf, Mary Ann Babyak, Doris Frobouck, Shirley Scherer, and Gerry Ercole. We were certain that Jack would have nourishing food through the efforts of Doris Bodnar, head dietitian.

While waiting for his recovery, we went to the Tarli Theater to see Joanne Kaye in "Heaven to Earth". After the play we stopped at John Szpanka's "Swanky Spanky Night Club". We were entertained by Mary Ann Beckowitz, a singer, and a skating review starring Barbara Iwanosky, Doris Mitchell, Maryann Nazdoski, Flo Fasiska, and Phil Massaro. Following the floor show, we paid our check, an unearthly amount, to Ida Gallagher.

The next morning we returned to the hospital to get the co-pilot. Since we had planned to see Don Sherman, Don Gaydosh, Paul Bartko, and Anthony Dabruzzo in the Rocket Races, we had to hustle like Mercury to get there on time. We bought our tickets from June Jaskolski and were guided to our seats by Mary Lou Liebel. Just as we were seated, the announcer, Bruce Cross, said, "Now we are ready to start the afternoon's activities, but before we begin, I'd like to remind you to buy Pluto Pop Corn and Twinkle Pop from the Big Dipper sold by Hyacinth Michalski and Gert Krol. Acting as judges today, we have Julia Hruska, Eleanor Mazurkiewicz, and Barb Kwiatkowski. Now the rockets are pulling up to the gate, and at the crack of Tom Phillips' gun, they're off!" We were on our feet all through the race and saw Don Gaydosh win by a narrow margin over Beetle-Bomb. As we streamed through the gate, we saw Barb Kovtun and Audrey Lucot who also attended the races.

Heading toward Saturn, our engine began to sputter. The pilot frantically tried to manipulate the controls, but we began to lose altitude and fall in space. We kept falling, falling, falling----------

With a start, I awoke to find myself on the floor with my Buck Rogers comic book beside me. To think this all was a dream!

Queen Shirley holds court.
